- 6** Who didn't finish his symphony? (8)
- 7** Wrote Scandinavian folk tale ballet. (5)
- 8** He'd never rob a church. (4)

This crossword relies on knowledge of mainly European composers. The solution includes some very famous names, and some not quite so famous. The earliest was born in 1543, and the latest in 1913. These two composers' names start with the same letter and were born in the same country, in towns just about 100 miles apart, also starting with the same letter. Spooky!
